Dear Peter:

I want to thank you for the assistance which you provided
in conjunction with our Cornerstone Ceremony at Langley on
3 November.

During the late stages of preparation for the Ceremony,
we found that the roar of the planes climbing out of the National
Airport over the site was deafening. We much appreciate your
having undertaken on such short notice to reroute traffic away
from the site during the Ceremony.

Sincerely,

Signed

Honorable Fred A. Seaton
Secretary of the Interior
Washington 25, D. C.

Dear Mr. Seaton:

I want you to know how deeply I appreciate all of the assistance which your organization provided us in connection with our Cornerstone Ceremony at Langley on 3 November. Your men offered numerous helpful suggestions and their efforts were a major factor in the success of the Ceremony.

I am told that the work of Mr. Harry Thompson, Superintendent of National Capital Parks, was especially noteworthy. Mr. Sutton Jett, Mr. Theodore Smith, Mr. Cornelius Helms and Mr. Pete Komarinski were also very helpful. Chief Harold Stewart of the Park Police provided valuable assistance. I would like particularly to commend Sergeant David Buchner who, I am told, aided materially in the handling of traffic and parking. I would be most grateful if you would convey our special thanks to these men.

Sincerely,

Allen W. Dulles

Gentlemen:

I want to express my thanks for your fine cooperation and assistance in connection with our Cornerstone Ceremony at Langley on 8 November.

Mr. informs me that Messrs. Their efforts contributed in great measure to the success of the Ceremony, and we are most appreciative.
